

Auto Populates SOAP Notes

Spend less time writing up your subjective notes and more time focusing on what matters most—your patients. Your patient's intake information will automatically populate your chart notes.

Easy to Use & Simple to Navigate

The user-friendly form is easy to understand and simple to navigate. The modern look will give your patients the right first impression of your practice and take them less than 10 minutes to fill out!

Compatible with Any Device

Patients can fill out their intake form on any device, from anywhere they have web access - eliminating the hassle of paper & making the new patient process more convenient for you, your staff and your patients.

REASON FOR PATIENT VISIT

WELLNESS

PERSONAL INJURY

MAINTENANCE

Forms Based on Visit Type

The intake form is flexible and changes based on your patient's appointment type. Whether it is a wellness visit or personal injury, the intake form will automatically modify—giving you and your patients only relevant information.
